TO:

LOVE:

The second that I met you,
I knew you were my dad.
You love me every minute,
whether I am good or bad.
The hour that you come home from work,
it's my favorite of the day;
I love that you are here for me,
to watch me grow and play.
When my day's been a little rough,
you hold me by the hand;
You tell me that you love me
and that you understand.
Sometimes there are things you need to do
and you can't be right here,
Still you think of me around the clock,
every day of every year.
Some times we face are really tough,
and others very blest,
But any time I spend with you
is really the very best.

Happy Father's Day!
